

Manuel Oscar Delpino

Front-End Developer

Buenos Aires, Argentina

+54 9 11 2498-4397 – manueloscardelpino@gmail.com

STUDENT | FRONT END | BACK END | DEVELOPER

QUALIFICATION SUMMARY

Front-End Developer and Systems Analyst with a solid foundation in web development and a strategic approach to problem-solving. Currently pursuing a Computer Engineering degree at Universidad del Salvador, I have successfully advanced from an internship to a Front-End Developer role at ALOT (formerly Staples Argentina), demonstrating adaptability and technical growth. Proficient in HTML/CSS, JavaScript, and React, I am expanding my expertise to include back-end technologies such as Node.js and Django. Recognized for delivering high-quality projects, I excel in team collaboration, effective communication, and navigating complex challenges with efficiency.

KEY SKILLS

- | | | | |
|--------------|----------|-------------------|-----------------|
| ✓ HTML/CSS | ✓ React | ✓ Flask | ✓ Adaptability |
| ✓ JavaScript | ✓ SQL | ✓ Data Structures | ✓ Self-learning |
| ✓ Node JS | ✓ Python | ✓ Problem-Solving | ✓ Teamwork |

RELEVANT PROFESSIONAL EXPERIENCE

Front End Developer (Hybrid)

ALOT (OFFICENET S.A.)

June 2023 - Present

Buenos Aires, Argentina

Initially hired as an intern, I demonstrated a strong work ethic and a passion for learning, which enabled me to rapidly develop my skills and knowledge. Through dedication and perseverance, I quickly transitioned into the role of Front-End Developer.

- Designed and developed interactive user interfaces using modern technologies such as HTML, CSS, JavaScript, and React.
- Implemented optimizations that improved web application load speed by 30 points regarding Google Lighthouse reports.
- Collaborated closely with designers and back-end developers to create integrated and efficient solutions.
- Participated in the full software development lifecycle, from planning and design to implementation and testing.
- Conducted unit and integration testing to ensure code quality and functionality.
- Contributed to project documentation and continuous improvement of development processes.
